rainbow (rāṅ-bō) n. An arc or circle that exhibits in concentric bands the colors of the spectrum and that is formed opposite the sun by the reflection of the sun's rays on raindrops.

When we look upon a rainbow, we think of it as something clear and beautiful that we will never forget. As the Class of 1978 graduates, we look back upon our memories and think of them in much the same way.

But just as a rainbow blurs and fades away, our memories will blur and fade away from our immediate thoughts.

But, indeed, we won't forget them. The meanings of our experiences and the knowledge we gain from them influence our lives and stay with us forever. Although these experiences are diverse and seemingly unrelated, they, like the varied colors of the rainbow, blend together to create a complete feeling that stays in our minds forever.

MEMORIES: A spectrum of color, a spectrum of feelings; light and dark, joy and pain; the contrast that makes our everyday life:

nervousness before a test,
a sigh of relief when it's finally over.
the anxiety of asking a girl to the prom,
the pleasant surprise of being asked.
the exhaustion of grinding practices,
the victory that makes it all worthwhile.

MEMORIES: Life's little joys, sun shining through the rain; the simple pleasures that helped us through those trying times:

finding a chair on a crowded
lunch, or an open basement,
a pat on the back after a sad
defeat, a smile from a special
friend in the hall, and
weekends; suppers, dances,
good times with people we like.

SOPHOMORES 1975-76

One step up . . . class officers, Rick Vita, Judy Gallagher, Joanne Huber, Margaret Sano . . . *Dance to the Music* featuring Second Society . . . our first Pizza Supper . . . Frank and Fry Supper??

Pizza is GREAT by 78.

"I look like what?"

"That's a hotdog?"

The gruesome twosome.

Something new — hockey cheerleaders . . . "How we getting home" . . . Can't wait for wheels . . . Soon to be upperclassmen.

Sophomore leaders share a joke.

"The sophomore franks are really fine . . ."

Sophomore entry in the Tournament of Plays — "Devil and Daniel Webster."

JV CHEERLEADERS

Standing: Joanne White, Judy Flaherty, Karin Kane, Ellen Salett. *Kneeling:* Joy Rosenblatt, Tricia Leclaire, Mary Kelleher, Joanne Klim, Lea Brancaccio.

"Go easy big guy."

"What a weiner!"

"My feet are killing me!"

REFLECTIONS: reflections of people we meet only once, people we'll stay close to all our lives; we've reflected off them and learned from them all. They are people as different as the colors of the rainbow, who shape our lives and personalities.

The friends we've made in the past four years will always be dear to us, even if we never see some again, because they've all influenced us in one way or another. And some friends, our very closest friends, we will hold onto to remind us of our past, be with us in our present, and help us make our future.

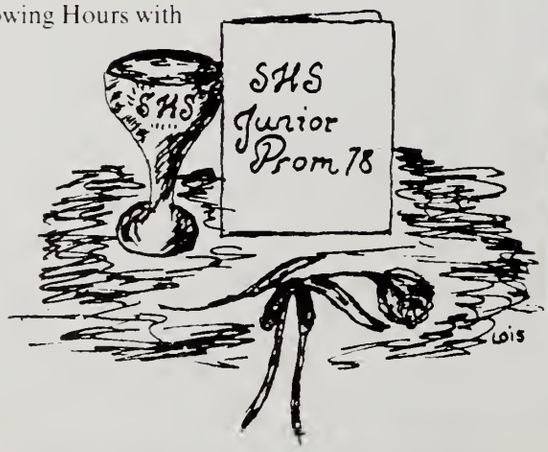
"Encore, encore!"

"Hey, how do I look?"

On with the dance! Let joy be unconfined;
No sleep till morn, when Youth and Pleasure meet
To chase the glowing Hours with flying feet.
— Lord Byron



"Is my tie on straight?"

Lauren Stickler, a many-time winner.

"Now where did that ball go?"

It is said that at the end of the rainbow rests a pot of gold. No one can ever reach this gold, but still people try. The gold at the end of our rainbow, as we graduate from high school, is knowledge. Not only knowledge that we learn from books, but knowledge of life, of experience, of others, and especially of ourselves.

We've learned to face life's problems with a smile.

We've learned that there are things that can't be changed, and that there are things we have the power to change, if we try.

We've learned to enjoy sharing, helping, sacrificing, working, and learning itself.

From the spectrum of experience, we've learned what we are interested in and enjoy doing, what we are good at, and what we hope to experience in the future.

photo: Maioli

From the reflections of others upon ourselves, we've learned what traits we admire in others, what makes us smile, what makes us cry, who we want to be with, and who we would like ourselves to be.

photo: Maioli

photo: Maioli

But just because we are leaving high school, this doesn't mean we will stop learning. The pot of gold is far away, and although it is unattainable, we must strive to reach it. As we strive we will continue along the rainbow of life, experiencing new things, meeting new people.

And the more we try to reach that pot of gold, the better we will come to know ourselves.

IN MEMORIAM

". . . we would appreciate your joining with us in a moment of sadness . . . Just a couple of weeks ago, Stoughton High received unhappy news that Annette Pascarelli, a member of the Class of 1976, had passed away after a short year of illness. Annette was only eighteen years old. She had served as secretary of her graduating class, and was a cheerleader. Just two years ago, as part of Homecoming she was a member of the Queen's Court, having been selected by her fellow seniors to that cherished post. We would like those here today to rise in a moment of silence in memory of this young lady — Annette with the silent demeanor, the quiet, ever-ready smile, the zeal and dedication to her class and to others . . . we pray that her family, friends, and classmates be comforted in their sorrow . . . we are grateful that she was spared a long period of extensive suffering and in this moment of silence we cherish the memory of Annette Pascarelli . . ."

FRIENDSHIP
Friendship is a priceless gift
That cannot be bought or sold.
But its value is far greater
Than a mountain made of gold.
For gold is cold and lifeless
It can neither see nor hear
And in the time of trouble
It is powerless to cheer.
It has no ears to listen
No heart to understand
It cannot bring you comfort
Or reach out a helping hand.
So when you ask God for a gift,
Be thankful if He sends no diamonds
Pearls or riches, but the love of
real true friends . . .
(Author undetermined)

Scared, running, crying in the night,
remembering something you can't forget . . .
a comb, a place . . . something that was his . . .
It can't be hidden any longer
It's something we must face:
the night pure black,
things hidden in crevices never to show . . .
A spider weaving its way to a dusty ceiling . . .
Keep going, spider!
Maybe you'll find what you want,
screaming and yelling:
Let me out of here, please . . .
The spider's falling, losing its way,
Catch him before he drops;
He's been caught and
Now everything will be better . . .

To Miss Crimmins:

Yesterday we were just freshmen, awaiting our first day of high school. You were there to help us adjust to our new surroundings.

Today we are seniors, anxiously anticipating our last day. You are still beside us, devoting all your time and effort to make our last year successful as well as exciting. All that is left are the memories, but these are happy ones which will always be cherished.

Tomorrow we are on our own. Your many favors, endless generosity, and the outstanding example you have set will remain with us and certainly help guide us to a successful future.

Thank you Miss Crimmins . . . for the long hours, for the good times, for being a friend . . .

To the Class of '78:

As incoming freshmen, you became aware of the need for knowledge. As graduating seniors, you attained that knowledge. You have accepted the challenge to mature socially and academically which has earned you the respect of fellow students, faculty, and administrators. Together with your parents, we are all proud of you.

As a class you have made it a rewarding experience for me as your advisor, and I thank you for this, for your friendship, and for the many hours you sacrificed to insure the success of class functions.

May you continue to cultivate a reverence for yourself and for each other. May you never lose sight of your dreams.

To the Class of 1978:

It is my pleasure as the representative of the School Committee to extend to each and every member of the Class of "78" sincere congratulations and best wishes.

I remember the class of "78" entering the Junior High School much the way I'll remember the blizzard of "78". I held my breath, and in two short years I saw a very mature group of students leave the Junior High like lambs to become freshmen at Stoughton High School. There you relaxed, watched and waited for your class to be recognized. Three years later you emerged to show signs of leadership and spirit.

At last it was the first day of school for the senior class of 1978. High spirited, full of enthusiasm, ready to rise above classes before you, you gave back to Stoughton High what it so badly needed - a healthy positive attitude, and a high set of values for lower classes to follow. You have shown a deep appreciation for equality and a firm sense of righteousness.

May we, the school committee, extend to you our most sincere wishes for future happiness and continued success.

Sincerely,

January 24, 1978

To the Class of 1978:

I am very proud of you, all of you, for what you have done as members of this class and as members of this community. Your parents, indeed the community, and I have tried to provide the very best educational opportunity for you in Stoughton. We have watched your progress through a world at war, a country at political unrest, and shared with you a community celebrating a 250th Birthday; and, through all of this, you have done well.

There are many people who have helped make graduation possible for you--your parents, relatives, and friends; but I ask you, on that day, to think warmly of the citizens of the town who, through their taxes, have provided not only outstanding facilities but also the educational and extracurricular programs that were available to you as a member of this community. They, too, are proud of you, be sure you don't forget them in the years ahead.

Whether you enter the world of work or that of higher learning, keep in mind that we have tried as a community and as a school system to do only one thing and that is to give you the best. I know as a graduate you will give us, in the years ahead, your best. Congratulations!

Sincerely,

Joseph H. Gibbons

SUPERINTENDENT

February 28, 1978

To the Class of 1978:

May I take this opportunity to extend my personal and professional gratitude to you, the members of the 1978 graduating class. I am pleased that I have had the pleasure of knowing many of you personally over the years and the opportunity, as a school administrator, to be at least familiar with your family names since you entered grade one in September of 1966.

Those years, I hope, have been kind to you, your parents, your grandparents, and all those who love you. All of us are very proud of you. You have cooperated well in the learning process with your teachers and, hopefully, have gained not only academic knowledge but also experience in the social world.

There is no substitute for knowledge nor a greater teacher than experience. Utilize the knowledge you have gained and temper it with good, common, practical sense in every-day living. For, as the philosopher states, wisdom is nothing more than fermented knowledge.

The knowledge you now possess, which hopefully will help you to live wisely in the future, must be tied to a sense of self-awareness and pride in being a Stoughton High School graduate in the year 1978.

Best of luck in the years ahead!

Sincerely,

John G. Murray, Ed.D.

TO THE CLASS OF 1978

With this edition of the Stotonian, I hope that it will keep alive the memories and acquaintances that have made Stoughton High School meaningful to you. I am sure that you will enjoy reading this book.

Of greater significance is what we have accomplished together during a very short but extremely important time in your lives. I do hope that the experiences which we shared will provide you with the knowledge and the wisdom to overcome the problems which you will encounter as you go through life.

May your journeys be happy and fruitful. May you enjoy the good things of life. And may peace be with you all the days of your lives.

DEDICATION

MR. JOSEPH H. GIBBONS SUPERINTENDENT OF SCHOOLS 1948-1978

Photo: Mr. George Blackwell

A yearbook is a book of memories, a volume which records the highlights and milestones of any given year. Such a milestone was achieved in 1978 as, for the first time in 30 years, Stoughton's school system had a new superintendent at the helm. Dr. John Murray succeeded Mr. Joseph H. Gibbons who served as superintendent of schools since 1948.

To the average senior, or as a matter of fact, the average reader of this book, perhaps Mr. Gibbons was just a name, an individual viewed momentarily as he strode one of the school corridors or as he passed out awards at graduation.

Yet there is no senior who hasn't benefited in some way from the achievements of Mr. Gibbons' long stay as superintendent of schools. It may be true that school committees and town meetings have to approve most of the major changes in the operation of the schools — but none of these come into existence, as a practical thing, without the drive, recommendations, and sometimes nagging of the superintendent.

Photo: Mr. F. E. Maioli

If you attended any school in Stoughton from Grade 1 on, you were probably in a facility which has been constructed since 1948, since Mr. Gibbons came on the scene, for he has been responsible for a thirteen million dollar school building program.

Also, in the past 30 years, industrial arts was revived at Stoughton High; driver-education was introduced; a complete dramatics program accompanied the magnificent new auditorium; the music curriculum was expanded; a new program in occupational education came into being.

We dedicate the '78 Stotonian as a tribute to the 30-year contribution of Mr. Joseph H. Gibbons to the school children of Stoughton.

VARSITY FOOTBALL

Although on the losing end of the Canton game, the varsity grid forces can take solace in the fact that they rebounded from a series of opening losses, and came into the traditional Thanksgiving game battling for first place . . . With a 27-2 thrashing of SHS in the annual game, Canton captured first place, and the Knights finished with a 5-3 league record and a 5-5 overall season . . . *All-stars* named by the *Hockomock League* included John Wells, Bill Cotter, Paul Freeman, and Steve Moriarty, who was also named honorary team captain . . . the Knights recorded five consecutive wins in their last seven games . . . the key factor in the team's success was the clutch performance of their defense; whenever the offense sputtered, the defense kept them in the game . . . notable performers were the three captains, together with Bill Flaherty, Jim Leonard, Jim Donnelly, and Paul Freeman . . . In the season opener, *Randolph* won 6-0 on a recovered blocked punt in the SHS end zone . . . After a 24-6 loss to *Foxboro,* the Knights sprung a mild upset over a favored *Mansfield* team 21-14 . . . A last second field goal attempt fell short, and Stoughton defeated *North Attleboro* 14-12 in an exciting home game . . . Moriarty provided the only score against *Franklin* 7-0, and picked off four enemy passes in a lacklustre performance by the team . . . Steve scored all three touchdowns and rushed for 136 yards in a Homecoming Day win over *Oliver Ames* 22-15 . . .

SEASON STORY . . . The Stoughton four-game win streak came to an end as the visiting *Taunton* Tigers overwhelmed the Knights 39-17 in a non-league game . . . SHS touchdowns were scored by Bill Flaherty and Jim Donnelly . . . A 9-0 shutout of *King Philip* put SHS back on the winning track . . . a 30-yard field goal by Pete Galanis and a two-yard TD run by Fred Brill provided all the scoring . . . Stoughton's effective defense limited KP's ground game to 46 yards rushing . . . A three-yard touchdown run was all *Sharon* needed as they scored a stunning 7-0 upset victory over the winning Knights the final Saturday of the season . . . the defeat, which would have cinched the title, was coupled with a Canton loss and set up the first place battle on Turkey Day, won, unfortunately, by the Bulldogs.

SOCCER

Disappointing is the story of the soccer season. The team finished fourth in a six-team league. Highlights of the season were a tie with Catholic Memorial in a "mudbowl" contest and an upset win over Foxboro 6-3.

Individuals who stood out were Captains John Vasconcelos and Jim Gearin, Rick Lennon, Joe Amural, and Dom Bitto. Bitto and Lennon made all-league. Good prospects coming out of this year are Dave Farrell and Hardy Fischer.

Overall record was 2-9-3.

CROSS COUNTRY

Once again proving its mettle, Stoughton's cross country team placed second to Oliver Ames in the Hockomock meet. Splashing his way through the muddy course to lead the Knights was Charlie Single in seventh place, followed by teammates Leon Wilson, Joe Daly, and two sophs, Joe McDonald and Dave Barbato. The JV's won the league championship; leading runners were Mike Miniutti, Steve Kostick, and John Schillinger. In the frosh race, Tom DiNapoli paced SHS to a third place finish.

With a second place finish in the Hockomock League and a record of 14-2, the cross country team had much to be proud of. Single, Wilson, and Barbato were the top individual runners, showing consistency and determination. The JV's also had a strong season.

With only a few members of the varsity graduating, there are high hopes for Coach Charles Green's team next year.

BASKETBALL

After a championship last year, an 8-8 league record (8-9 overall) seems a trifle disappointing. But in a rebuilding campaign, with only three players from last season's team, Stoughton's hoop squad provided an exciting season and with added experience can look to a promising future.

This year's team was built around its co-captains, Bill Cotter, a defensive standout, and Steve Moriarty, who averaged over 18 points per game and was named captain of the league all-star team. This duo was backed by a solid nucleus of upperclassmen, together with sophomores Paul Carter and Pat LaCivita, and freshman Reggie Slater.

The season started in winning fashion, followed by a four-game losing streak which set the pattern for the chase, all year, for the elusive .500 goal. The Knights handled North Attleboro, Foxboro, and Mansfield twice each; the strongest game was the finale, a 91-51 decision over Mansfield.

Sharon was just too much for the inexperienced Knights, winning twice, as did the strong Oliver Ames and Franklin teams. The only time Stoughton was blown out was a 67-44 trouncing at the hands of the Panthers. They played everyone tough and no one can argue that most of the games didn't supply excitement.

Highlights were a last second win at Mansfield, and revenge victories at Canton and King Phillip, the latter in triple overtime.

GIRLS BASKETBALL

The girls varsity basketball team saw its season come to an end as it was defeated by Silver Lake in the opening round of the state tournament. SHS lost 68-52 to a team which ultimately went all the way to the finals. The girls had a highly successful 13-3 season and ended in a two-way tie with Franklin for the Hockomock championship.

Although handicapped by a lack of height, they didn't let this hamper their style of play. The Knights were a fast running team who depended mostly on speed and fast breaks, coupled with a good defense. The girls averaged 65 points per game. The three losses were all close, and with any break could have resulted in an undefeated season.

Cheryll Howes and Danette Jordan were co-captains of a team which had many shining individual players. Some outstanding performances during the season were turned in by Jordan, Lynne Howes, Robyn Ricci, Dede Foster, and Denise Fraser.

"The team's prospects for next season are excellent," Coach Barbara Batchelder says; "we have good talent coming up.

"Obviously, losing Danette to graduation will be a factor, but we have the talent to shift our game plan a bit and make up for her loss."

Some high scoring: Fraser (Silver Lake) 20, Jordan (OA) 27, Fraser (Mansfield) 20, Lynn Howes (Sharon) 16, Foster (Foxboro) 18.

(Continued from Page 136)

The Junior Varsity girls closed their season with an 11-5 league record. Coached by Mary Cotter, the JV depended mostly on high scorers Paula Kelly, Jan Blomstrom, Clara Zadra, Lynda Tyer, and Jayne Edmonston.

Coach John Dennison's freshman girls finished with a 3-4 record, missing the last three games due to storm cancellations. As a whole, the team showed much improvement and progress. Barb Kelly, Laurie Brahm, Jayne Sallerson, and Co-captains Flora Fonzie and Deb Bender had good seasons.

WRESTLING

With a fifth place finish in the Division I South Sectionals and an 8th place finish among 54 schools in Div. I State Tournament, the SHS wrestling team completed a very successful season, which saw Jim Dalton end an outstanding career.

The team finished with a 10-5 record in their dual meet schedule, including victories over strong teams like Quincy, Durfee, Plymouth-Carver, and Randolph.

In the Sectionals, Stoughton finished in fifth place with 116 team points, only 24 points behind first. Dalton (114-lbs.) and junior Jim Miller (107-lbs.) placed first. Other placers were Craig Kosinski (121), second; Mark O'Neill (169), third; Steve Muldoon (134), Bob Flaherty (140), fourth; Kevin Hanley (128) fifth.

Kosinski and Dalton placed second and third in the State Tourney, with Craig being accepted as an alternate to the New Englands.

The duet of Kosinski and Dalton also led the team in many individual categories for the season; they tied for team honors with 74 points. Jim finished with a perfect 15-0 record, which included 9 pins. Koskinski (voted MVP by the team) had a 14-1 dual record, including 8 pins, and a fine 6-2 tournament record.

HOCKEY

For the varsity hockey team, the highlights are few, if any. The team suffered its first losing season ever under Coach Ray O'Malley, who has compiled 39 wins as SHS coach.

The team was young, sporting only six seniors. They did, however, manage to start off the year by sweeping the first three games. Then came Canton, which took the steam out of the SHS machine with a 5-4 close win.

This started a streak which took the Knights out of contention, as they dropped eight straight before they scored their final victory, a 4-0 shutout over North Attleboro. The Knights ended with a 4-11 record, in fifth place in the Hockomock League.

Co-captains Mike Kramer and Mike Dineen were bright spots. Dineen was leading scorer on the team; Kramer was named to the league all-star team as a defenseman.

The jayvees, under Coach Joe Powers, had a better year. They were never out of any match; their leading line did well enough to be moved up to the varsity in mid-season.

Coach Tim Hathaway's freshman team managed to go undefeated in a 9-game season, shortened because of the blizzard cancellations.

INDOOR TRACK

With a strong, 40-point, third place showing in the Hockomock League championships, Stoughton's indoor track team wrapped up the 1977-78 season in fine style. SHS runners Leroy Wilson and Greg Stenstrom finished fourth and fifth in the 600, and Ed Barbato, third in the 1000. In addition, the Black Knights had three runners (Joe Daly, Dave Barbato, and Tom DiNapoli) in the top six in the mile. Charlie Single finished third in the two-mile and Brad Holliday, third in the 300.

Although the trackmen did not win the dual-meet championship, they more than held their own. Coach Charles Green had a young team. Only six of the 16 Knights in the league meet were seniors.

Stoughton's final league record was 4-3, as they finished third in the standings.

Some of the top performers were in the mile, Joe Daly; 600, Greg Stenstrom; 300, Paul Daynes; 1000, Ed Barbato; two-mile, Charlie Single; 45-yd. hurdles, John Schillinger; 50-yard dash, Brad Holliday; Shot, Atwell Williams; Relay, Stenstrom, Daley, Mike Miniutti, Wilson.

Maryann Buckley vaults over the horse.

Alison Kelly does her balance beam routine.

Once again, the record of Stoughton's gymnasts doesn't reflect the true nature of the season. The girls continue to provide a better competitive record each year, and the margin of defeat narrows more and more.

The uneven bars competition did the most harm to the Stoughton cause, but the SHS girls fared extremely well in the other three events. Individual standouts were Lori Stolow and Theresa Ott in all three events; others were Anna Cottam in the floor exercises; Maryann Buckley, Regina Cottam, and Donna McCarter in the vault; and Alison Kelly and Joni Blatt in the balanced beam. In addition to Anna Cottam, two freshmen who made their mark were Maria Camara and Lori Clough.

The season's record was 1-10-1.

"Now THAT'S Italian!"

Cathy McGrath shows behind-the-counter tech que.

Cindy Vincent takes a short break from waitressing to enjoy a joke. Bev Barry is in the background.

Mr. Thomas Medeiros (Art) and family sample culinary delights prepared for them by '78 gourmets.

"This is how they do it in the old country!" Peter Bernasconi demonstrates the art of pizza cutting to Da Sweeney and Mrs. Hochmouth.

THE GONG SHOW

THE HAPPY WINNERS: The group "Shhh" who sang "Where Are the Clowns;" Dianne Kelley, Mark Kontoff, Pam Martin, Julia Ramirez, Alan Weiner, Leslie LeBrun, Carol Tiecheira, Eijaliisa Jarvinen. (Photo: Lucy Teixeira)

"Did you hear the one about the — SMUSH" Mr. Chet Pierce receives a well-deserved pie in the face from Mr. Frank Santoro. (Photo: Mayo)

Atwell Williams and his motley group of miners were a high scoring act. (Photo: Mayo)

Juan Silva stole the show with an energetic disco dance — the audience liked him so much that they called him back for a repeat. (Photo: L. Teixeira)

"My girdle is killing me." "Rockettes" Mario Teixeira, Manny Rose, Dean Rapoza, Phil Solito, Bob Flaherty, Bill Flaherty, and John Hurley demonstrate what can happen to fairly normal people when they become seniors. (Photo: L. Teixeira)

WORLD'S LARGEST BOOTMAKER

I would like to take this opportunity to extend our congratulations to all graduates for reaching yet another plateau in their career development.

To those graduates electing to continue their education, we extend our best wishes for the future. However, if your choice is to start your career immediately

We're sending the first team .

and we have a continuing need for entry level and/or experienced employees in Administrative Management, Marketing, Electronic Data Processing, Manufacturing Technology, and entry-level production positions.

At ACME we believe in being our industry leader and invite you to consider joining with us in the boot revolution. "Boots are bigger than ever this season. Next season. Every Season."
